The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. The order of February 14, 2007, needs to be corrected to read, "The Court would note that defendant was warned about the fact that the motion for resentencing could be considered as a motion for relief from judgment." The word, "not" was incorrectly placed in that sentence in the February 14, 2007 order.
